Chukwudi Ewa: African Genealogy: An Integral Part of the Future of Genealogical Research

Public Event

December 14, 2026 • 2:00 PM – 3:00 PM

African genealogical research is critical to the future of the field, yet it is often shaped by misconceptions and limitations. This webinar examines key challenges, including the misinterpretation of ethnicity estimates and overreliance on DNA without historical context. Drawing on experience as a Nigerian family history researcher, the session explores how these issues impact both African and diaspora researcher...
